CONNECT TIME

What is your favourite smell? (E.g. pizza, flowers, the beach, hot chocolate)

THE BIG QUESTION (To discuss in your KDG's)

1. How old do you need to be to start serving God?
2. What are some things we can do with our hands to serve God?
3. Why should we do our best in everything we do?

ACTIVITY SHEETS

Children complete the activity sheets in this time.

THE BIG ACTIVITY

Directions: Give each child a 'Hands to Serve God page' printed from the print material files. Help the children to trace around their hand shape, one hand at a time, with a pencil onto the page. Children can then colour in each hand with coloured pencils or crayons. If you'd like to make paint handprints instead of tracing around the children's hands, you can use non-toxic child safe paint, and help the children to make handprints on their page.

Explanation: Our hands are pretty incredible, they can move things, make things, communicate, write, draw and DO almost anything! When we have a heart to serve God, it's our hands that put this into action. You can have hands to serve God.

BIG WORD

Lord, you are our Father. We are the clay. You are the potter. Your hands made all of us. Isaiah 64:8 (NIRV)

Have the children sit in pairs and play "Rock Paper Scissors" between each other. The winner in each pair must say the Big Word to their partner, then the winners pair up and play again. Keep playing until there is one champion!

GAME

Picture Frame Game. With all the children sitting in a circle choose one person to go first. They must sit in the middle of the circle holding the picture frame in front of their face and remain expressionless for 30 seconds. Other players can try to make them laugh. If they move, twitch or laugh they are out. Pass the frame to the next person to have a go.

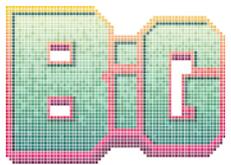

PRAYER

Dear God,

Thank you for loving us no matter what, help us to show what's in our heart by serving you with our hands. We are willing to serve you and we want to do our best!

In Jesus name, Amen
