CONNECT TIME

What is one thing that you like to do with your friends?

THE BIG QUESTION (To discuss in your KDG's)

1. What did Moses have in his hand?
2. Can you really make a difference in the world through serving God and others in small ways?
3. Do you have a dream in your heart to do something great for God?

ACTIVITY SHEETS

Children complete the activity sheets in this time.

THE BIG ACTIVITY

Directions: Depending on the age and ability of the children in your group, you may like to pre-cut this craft before the lesson. Give each child a pair of 'helping hands' printed from the print material files onto yellow or pink card. Children can decorate their helping hands with stickers, ribbon and coloured markers or crayons.

Explanation: You can serve God at school, by being an amazing Godly friend in your school. You can serve God in your family. God has made you to be a great brother, sister, son, daughter or cousin to your family. You can serve God at your church!

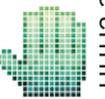

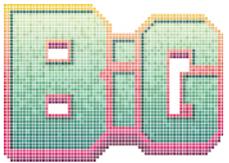

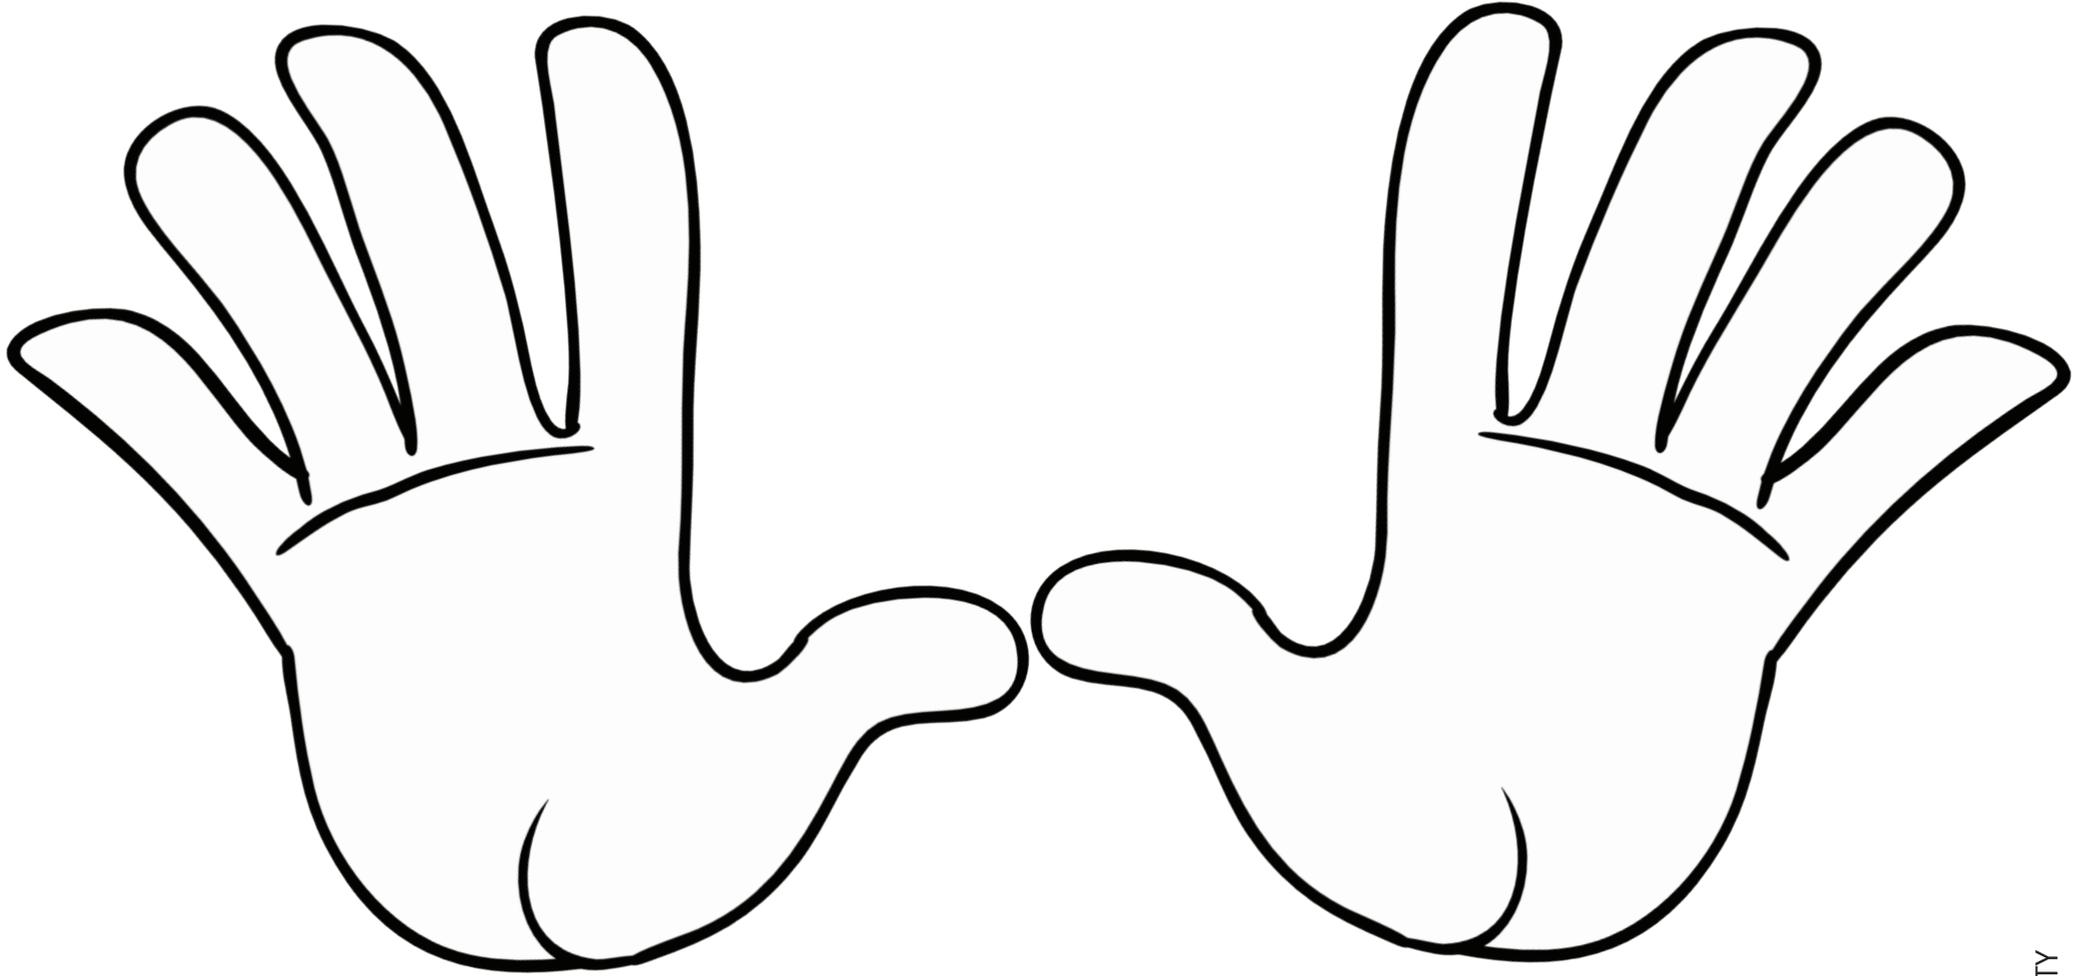

BIG WORD Lord, you are our Father. We are the clay. You are the potter. Your hands made all of us. Isaiah 64:8 (NIRV)
Before the lesson, write sections of the verse onto slips of paper and place them inside balloons, blow up and tie the balloons. Set the challenge for the group to pop the balloons and find all the parts of the verse. Next the group needs to arrange all the sections of the verse in the correct order. Repeat the verse together a number of times. You could play this game as a challenge against another small group to see who can pop all the balloons and place the verse in the correct order the fastest.

GAME Can You Find? Have the children form pairs or groups of 3. Each team is given a list of things to find. So that the children are safe make sure they know the boundaries of where they are allowed to find the objects. The first team to collect all the objects are the winners, or the team who can find the most in the time limit that you give them.

PRAYER

Dear God, Thank you that you've placed dreams in our heart to do great things for you. Help us to use what's in our hand right now to fulfil what's in our heart. Lord take the things that we do to serve you and help them to make a big difference in the world. In Jesus name, Amen
