BIG IDEA: THINKING ABOUT THINKING

BIG POINT:

HOW I THINK CHANGES HOW I LIVE

CONNECT TIME

Which is your favourite day of the week and why?

THE BIG QUESTION (To discuss in your KDG's)

1. What is one thing that you didn't know how to do when you were a little baby that you know how to do now?
2. How does your brain and your thoughts effect how you live?
3. How can we make sure we are thinking the right things?

ACTIVITY SHEETS

Children complete the activity sheets in this time.

THE BIG ACTIVITY

Directions: Give each child a thought bubble photo booth shape and ask them to draw or write something that they like to think about. Younger ones may want to choose from the fun icons provided and stick them onto their thought bubble shape. Next turn the shape over and use some tape to stick the straw onto the back to use as a handle.

Explanation: What do you think about? How we think changes how we live. God's word says in Proverbs 23:7 (NKJV) "For as he thinks in his heart, so is he". Your thinking can make a big difference to how you live. God's word shows us what is true and helps our thinking to be made new!

BIG WORD

Don't live any longer the way this world lives. Let your way of thinking be completely changed. Then you will be able to test what God wants for you. And you will agree that what he wants is right. His plan is good and pleasing and perfect. Romans 12:2 (NIRV)

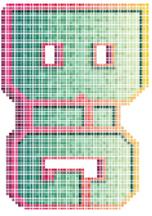

Practice the actions to the Big Word, the more you hear the big word song and practice the actions to go along with it, the more likely you will remember it!

GAME Snake in the grass - Choose two people to hold each end of the rope, they will kneel down and move the rope from side to side so that it slithers on the ground like a snake. Players line up along one side and take it in turns to try and jump over the snake without landing on it or touching the rope. If you touch the rope you're out! The last player to survive the snake is the winner!

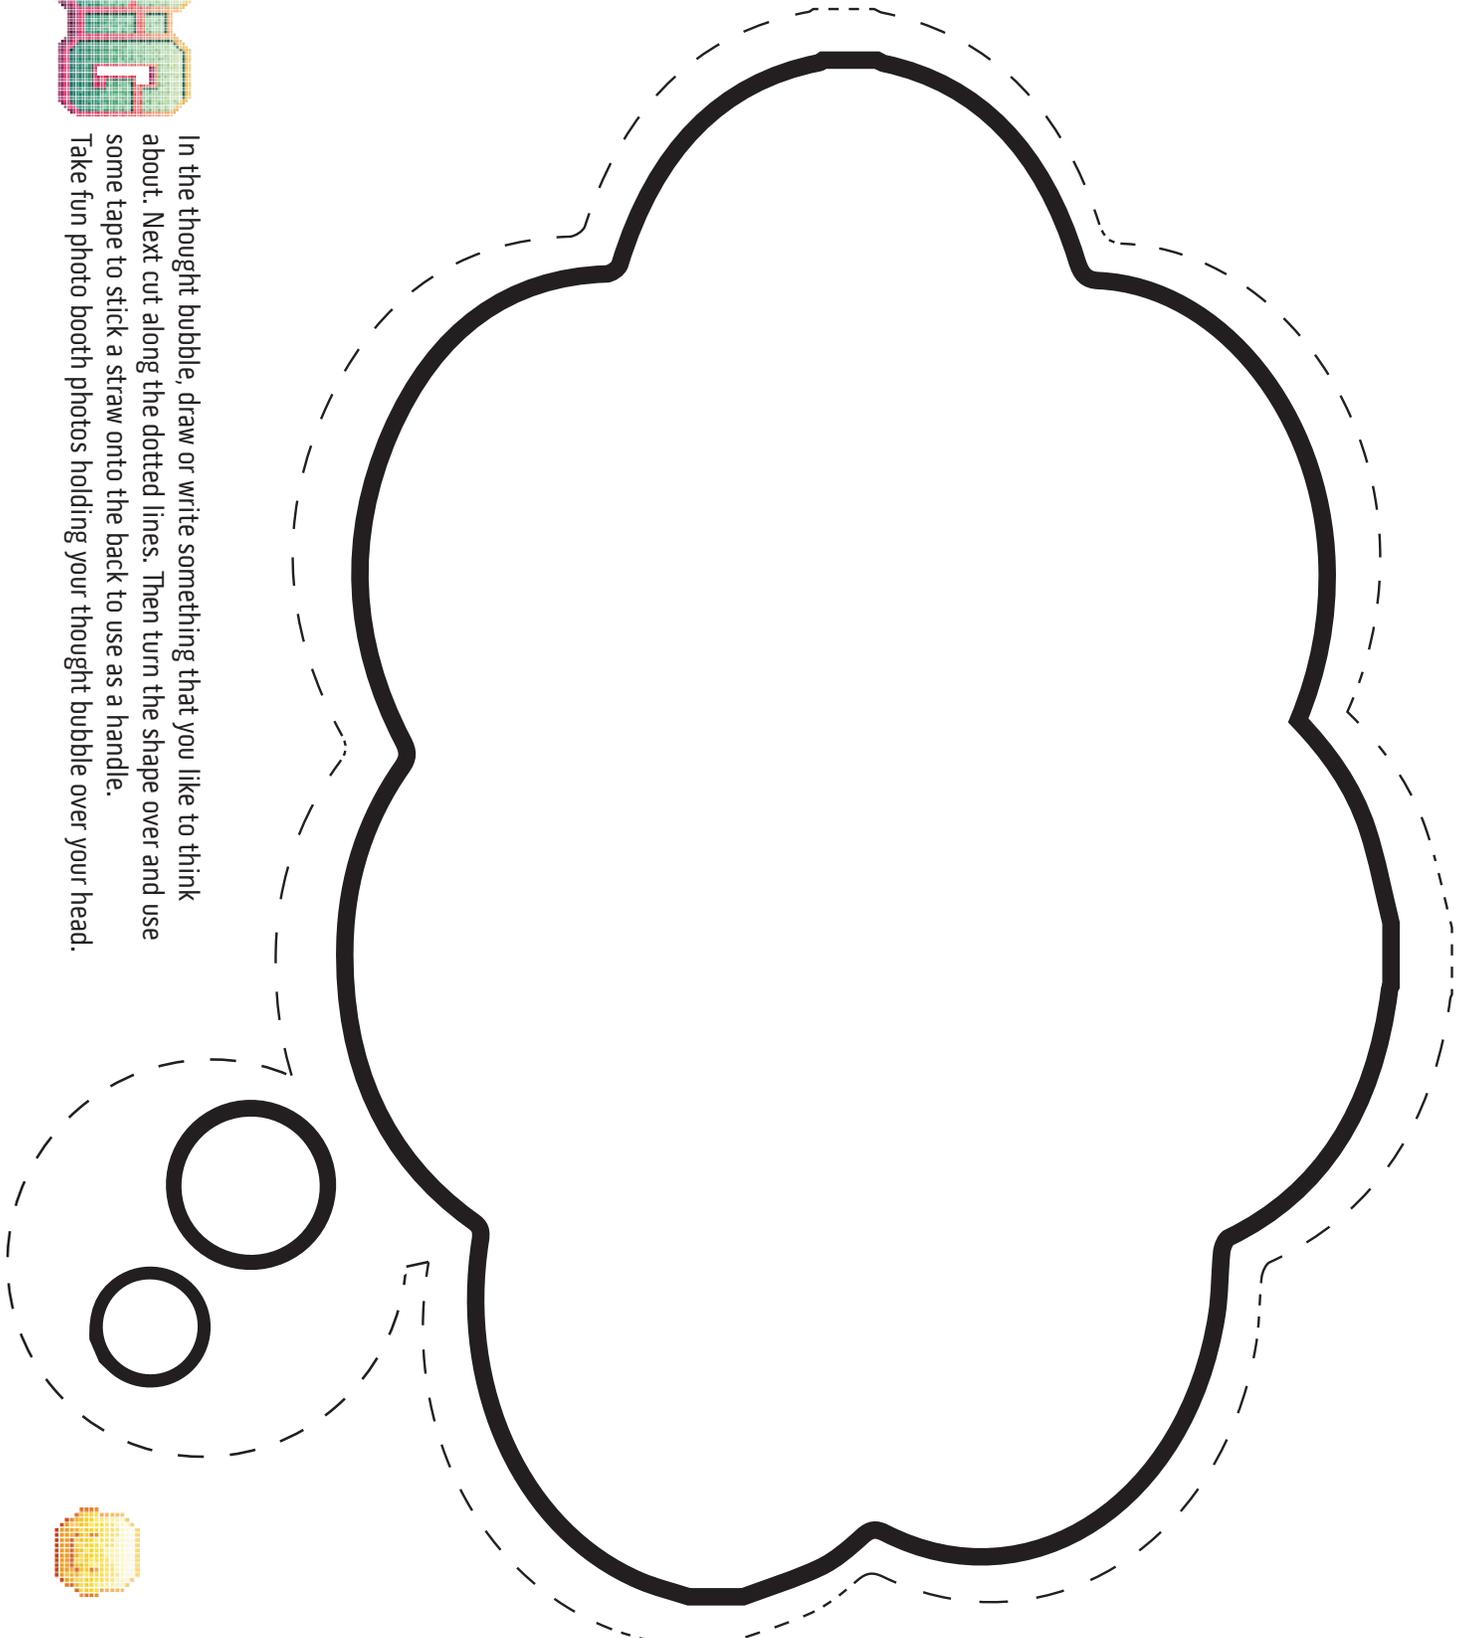

PRAYER

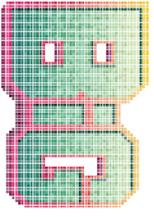

Dear God, Thank you that you created us and our amazing minds. Help us to line up our thinking with your thinking, help us to discover truth in your word, the Bible.

In Jesus name, Amen

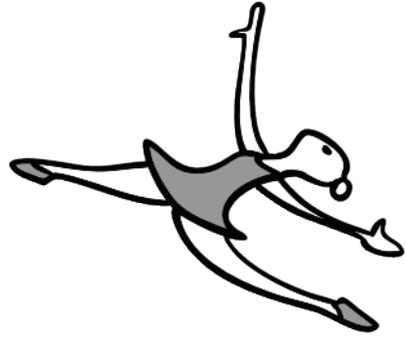

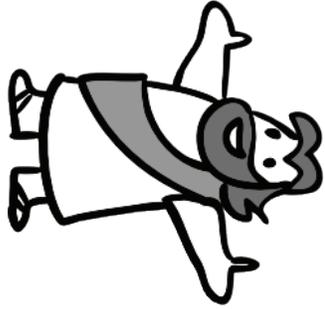

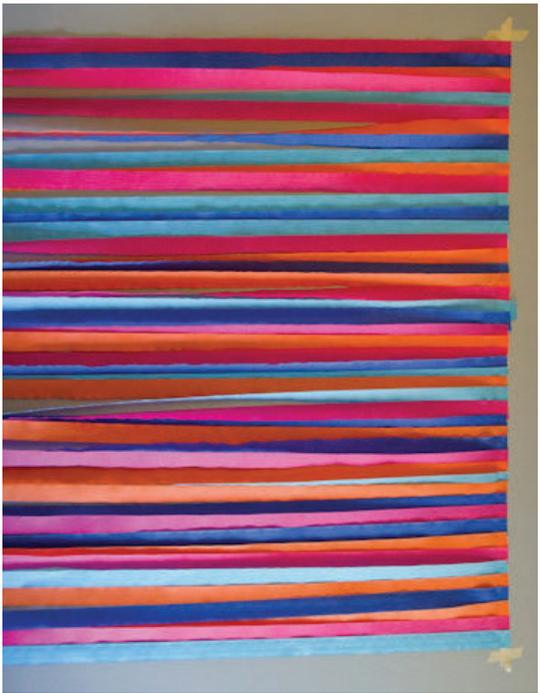

In the thought bubble, draw or write something that you like to think about. Next cut along the dotted lines. Then turn the shape over and use some tape to stick a straw onto the back to use as a handle. Take fun photo booth photos holding your thought bubble over your head.

Here's some icons you can cut out and stick in your thought bubble.
