BIG PICTURE: HEAD

BIG IDEA: KNOWITALL

**BIG POINT: I DON'T KNOW EVERYTHING,
BUT I KNOW THE ONE WHO DOES**

CONNECT TIME

What is one hobby or activity that you love to do?

THE BIG QUESTION (To discuss in your KDG's)

1. What is something you wish you knew? Do you have a question about something that you really want to know the answer to?
2. Is there really someone who knows EVERYTHING?
3. How can we have wisdom?

ACTIVITY SHEETS

Children complete the activity sheets in this time.

THE BIG ACTIVITY

Directions: Give each child an origami template to colour in and help them to fold along the lines following the directions on the page. Next teach the children to hold from the bottom using two hands and play the true or false game with each other. Choose a number 1, 2, 3 or 4 then choose a question and finally flip it open to see the answer.

Explanation: No matter what the question is, God knows the answer. I don't know everything, but I know the one who does. We can ask God to give us wisdom and He will. We can look for God's wisdom in His word, the Bible.

BIG WORD

Don't live any longer the way this world lives. Let your way of thinking be completely changed. Then you will be able to test what God wants for you. And you will agree that what he wants is right. His plan is good and pleasing and perfect. Romans 12:2 (NIRV)

Decorate your Big Word Hat. Hold a mirror in front of your face and see if you can now read what the Big Word clearly!

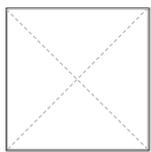

GAME Back to Back Race. Have the children stand in pairs back to back with a partner and link arms. With everyone in position at the starting line, say 'Ready, Set, Go!' and the players race to the end, turn and come back to the start line while moving as fast as they can back to back with their arms still linked. The first pair to return to the start line are the winners.

PRAYER

Dear God, Thank you that you know everything and we can know you. Thank you that you know everything about the entire universe and you still know and care about every detail in our lives. We ask you to give us wisdom and help us to learn wisdom for our lives from your word.

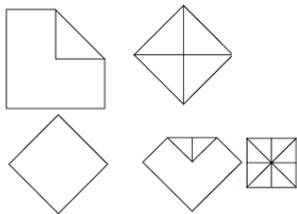

In Jesus name, Amen

STEP 1: Cut out the square shape above and keep these instructions aside to follow as you go.

STEP 2: Fold the paper in half diagonally, corner to corner in both directions. When you open the paper you should have creases running from corner to corner, intersecting at the center of the paper.

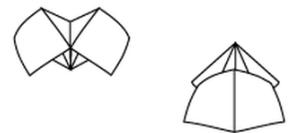

STEP 3: Fold each corner of the square in to the center point. Crease the paper well.

STEP 4: Turn the paper over. Fold each corner in to the center point again. The paper may be more difficult to fold this time, since it's twice as thick, so make sure to crease the paper firmly.

STEP 5: Fold the paper in half to make a rectangle. (It doesn't matter if you fold from top to bottom or side to side.) Fold the paper in half again to make a square, and crease. Unfold these two folds. Insert your finger into the flap at the corner of the paper and gently pull up to fluff the paper out. Do the same for the other three corners.

STEP 6: Ask a friend to pick a number. Move the shape in and out in alternating directions that number of times. Ask your friend to choose another number from the ones showing and open the shape again in and out that number of times. Next ask you friend to choose a number and open it to reveal a true of false question. Ask your friend the question and see if they got it right!
