God loves a cheerful giver - smile mouth masks.

Supplies Needed: Smile shapes printed for each child from the print material files, craft sticks or straws, tape.

Directions:

Colour in your smile shape, cut it out around the edges. Next attach a craft stick (or straw) to the back of the smile mouth shape using some tape. Then hold onto the stick/straw to hold the smile mouth up to your face.

For some extra fun, take some photos of each other with your smile mouth masks!
