

# ROCK THE BOAT PACKET

**DATES:**  
**JUNE 16-21**

Hey Exit83 Students and Parents,

It's time to Rock the Boat! An extreme summer adventure that you are NOT going to want to miss!

On June 16th (yes, Father's Day) we will be heading up to Lake Nacimiento near Paso Robles California to spend 5 days hanging out, skiing, tubing, wakeboarding, bonding as a group, and growing in our relationship with God. We will be driving up in the church bus and other personal vehicles driven by adult staff or volunteers over 25 years of age. The drivers of the boats are all experienced boat operators, and at no time will a student be driving a boat. We will be staying at Lake Nacimiento Resort at their camping facility in tents. I know it sounds like we will be roughing it, but they have great facilities with showers and bathrooms. Not into wakeboarding? We have a great time hanging out at the shore, going out in canoes, all kinds of water toys, and crazy inflatables.

The dates of the camp are **June 16-21**. **The cost will be \$425**, this includes transportation, lodging, food, skiing/wakeboarding, camp T-shirt, and camp picture. **Registration begins** online at [exit83youth.com](http://exit83youth.com) **April 18th** at 6:30am. Go to [exit83youth.com](http://exit83youth.com) and click on the Rock The Boat link (Be sure to select Jr High registration or High School registration, depending on your student's grade next school year). This will take you to a page where you will register, fill out the liability release, and pay for camp. All payments are done online and the payment **deadline is Wednesday, May 29th**. Below you will find a list of what to bring (and not bring) to this camp. The boat owners will be bringing up the necessary equipment for the water related activities, so you will not need to bring tubes, wakeboards, skis, or life vests.

We are really excited for what God is going to do at RTB and hope that you will join us. If you have any questions, please feel free to contact Pastor Jeff Taylor ([jeff@lbfchurch.com](mailto:jeff@lbfchurch.com)).

# Camp Covenant

In our efforts to provide both a quality camp experience, the leaders of the Life Bible Fellowship Church Exit83 Student Ministries have developed these guidelines for conduct while away at camp.

## **Clothing Guidelines:**

1. Bathing suits may only be worn when going to the lake. Not around camp. Bathing suits must have modest neckline and leg cut (No bikinis or speedos).
  - **Swimming Suit Definition:**
    - **Girls:** Modest non-bikini (consider neckline, leg cut)
    - **Guys:** Shorts that stay around your waist
  - **Swimsuits may only be worn to/from/at the lake, not around camp.**
2. No bare midriffs or short shirts.
3. All clothes need to be appropriately modest.

You Will Be Asked To Change If You Are Dressed Inappropriately

## **Sleeping Quarter Guidelines:**

1. No guys in girls' campsites and no girls in guys' campsites for any reason, ever.
2. Keep living area clean. Organize your area daily before breakfast. Pick up your clothes and put your personal items away. Remember that we are sharing close quarters and must respect each other's space.
3. Lights out and quiet at campground curfew (10pm).

## **Camp Guidelines:**

1. Do not leave the area where the group is without permission from a staff person.
2. Remind each other if you see someone off by themselves that they need to remain with the group.

## **Water Guidelines:**

1. No one is to go near the lake alone

2. No one is to go in the lake unless it is designated as a time to do so.
3. All rules on the boat must be followed as instructed by the captain of that boat.

**Other Important Guidelines:**

1. No boyfriend/girlfriend relationships (meaning **zero** physical contact – holding hands, etc.). This is a time to build group relationships and direct our focus to God.
2. No firearms, no knives, no fireworks, no weapons of **any** kind.
3. Phones are allowed, but on a limited-use basis. (Taking pictures, flashlight, etc.)
4. Watch the words of your mouth! Respect each other, be courteous, be encouraging, be thankful, be a good listener, speak blessing, and be a friend! Practice common courtesy.
5. No practical jokes. What may be funny to one person, may be hurtful to another, and could seriously hinder what God may want to do in that person's life.
6. Finally, and very importantly, submit to leadership. Whether it is a pastor, volunteer staff, or volunteer parent on the trip, please do as they ask. You may not always understand why something has to be a certain way, but God will honor an obedient heart.

These rules are designed to enhance, not hinder our experience. By registering for camp, you agree to follow these rules. As a camper, you are committing to do your best to follow these guidelines. As a parent, you are agreeing to come alongside the goals of this trip and support these rules. Should a serious problem arise, the parents of the young person may be asked to come up and take their young person home. We appreciate your commitment to see God's fullness come in the youth of Life Bible Fellowship Church.

This Camp Covenant will be signed online after you register for camp. You do not need to turn this physical document in.
